

(3) Has refused within a reasonable time to publish a final rule continuing the collection of information, with such changes as may be appropriate, or otherwise complete the procedures for amendment or rescission of the collection of information.

(h)(1) Upon disapproval by OMB of a collection of information subject to this section, except as provided in paragraph (f)(1)(iii) of this section, the OMB control number assigned to such collection of information shall immediately expire, and no agency shall conduct or sponsor such collection of information. Any such disapproval shall constitute disapproval of the collection of information contained in the Notice of Proposed Rulemaking or other submissions, and also of the preexisting information collection instruments directed at the same collection of information and therefore constituting essentially the same collection of information.

(2) The failure to display a currently valid OMB control number for a collection of information contained in a current rule, or the failure to inform the potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number, does not, as a legal matter, rescind or amend the rule; however, such absence will alert the public that either the agency has failed to comply with applicable legal requirements for the collection of information or the collection of information has been disapproved, and that therefore the portion of the rule containing the collection of information has no legal force and effect and the public protection provisions of 44 U.S.C. 3512 apply.

(i) Prior to the expiration of OMB's approval of a collection of information in a current rule, OMB may decide on its own initiative, after consultation with the agency, to review the collection of information. Such decisions will be made only when relevant circumstances have changed or the burden estimates provided by the agency at the time of initial submission were materially in error. Upon notification by OMB of its decision to review the collection of information, the agency

shall submit it to OMB for review under this Part.

§ 1320.13 Emergency processing.

An agency head or the Senior Official, or their designee, may request OMB to authorize emergency processing of submissions of collections of information.

(a) Any such request shall be accompanied by a written determination that:

(1) The collection of information:

(i) Is needed prior to the expiration of time periods established under this Part; and

(ii) Is essential to the mission of the agency; and

(2) The agency cannot reasonably comply with the normal clearance procedures under this part because:

(i) Public harm is reasonably likely to result if normal clearance procedures are followed;

(ii) An unanticipated event has occurred; or

(iii) The use of normal clearance procedures is reasonably likely to prevent or disrupt the collection of information or is reasonably likely to cause a statutory or court ordered deadline to be missed.

(b) The agency shall state the time period within which OMB should approve or disapprove the collection of information.

(c) The agency shall submit information indicating that it has taken all practicable steps to consult with interested agencies and members of the public in order to minimize the burden of the collection of information.

(d) The agency shall set forth in the FEDERAL REGISTER notice prescribed by § 1320.5(a)(1)(iv), unless waived or modified under this section, a statement that it is requesting emergency processing, and the time period stated under paragraph (b) of this section.

(e) OMB shall approve or disapprove each such submission within the time period stated under paragraph (b) of this section, provided that such time period is consistent with the purposes of this Act.

(f) If OMB approves the collection of information, it shall assign a control number valid for a maximum of 90 days after receipt of the agency submission.

§ 1320.14 Public access.

(a) In order to enable the public to participate in and provide comments during the clearance process, OMB will ordinarily make its paperwork docket files available for public inspection during normal business hours. Notwithstanding other provisions of this Part, and to the extent permitted by law, requirements to publish public notices or to provide materials to the public may be modified or waived by the Director to the extent that such public participation in the approval process would defeat the purpose of the collection of information; jeopardize the confidentiality of proprietary, trade secret, or other confidential information; violate State or Federal law; or substantially interfere with an agency's ability to perform its statutory obligations.

(b) Agencies shall provide copies of the material submitted to OMB for review promptly upon request by any person.

(c) Any person may request OMB to review any collection of information conducted by or for an agency to determine, if, under this Act and this part, a person shall maintain, provide, or disclose the information to or for the agency. Unless the request is frivolous, OMB shall, in coordination with the agency responsible for the collection of information:

(1) Respond to the request within 60 days after receiving the request, unless such period is extended by OMB to a specified date and the person making the request is given notice of such extension; and

(2) Take appropriate remedial action, if necessary.

§ 1320.15 Independent regulatory agency override authority.

(a) An independent regulatory agency which is administered by two or more members of a commission, board, or similar body, may by majority vote void:

(1) Any disapproval, instruction to such agency to make material or substantive change to, or stay of the effectiveness of OMB approval of, any collection of information of such agency; or

(2) An exercise of authority under § 1320.10(g) concerning such agency.

(b) The agency shall certify each vote to void such OMB action to OMB, and explain the reasons for such vote. OMB shall without further delay assign an OMB control number to such collection of information, valid for the length of time requested by the agency, up to three years, to any collection of information as to which this vote is exercised. No override shall become effective until the independent regulatory agency, as provided in § 1320.5(b) and § 1320.6(2), has displayed the OMB control number and informed the potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

§ 1320.16 Delegation of approval authority.

(a) OMB may, after complying with the notice and comment procedures of the Administrative Procedure Act, delegate OMB review of some or all of an agency's collections of information to the Senior Official, or to the agency head with respect to those components of the agency for which he or she has not delegated authority.

(b) No delegation of review authority shall be made unless the agency demonstrates to OMB that the Senior Official or agency head to whom the authority would be delegate:

(1) Is sufficiently independent of program responsibility to evaluate fairly whether proposed collections of information should be approved;

(2) Has sufficient resources to carry out this responsibility effectively; and

(3) Has established an agency review process that demonstrates the prompt, efficient, and effective performance of collection of information review responsibilities.

(c) OMB may limit, condition, or rescind, in whole or in part, at any time, such delegations of authority, and reserves the right to review any individual collection of information, or part thereof, conducted or sponsored by an agency, at any time.

(d) Subject to the provisions of this part, and in accordance with the terms
